CWAY WATER BUSINESS SUMMIT

Cway Nigeria Drinking Water Science and Technology Company Limited Management and the FOBTOB union Branch organised a Business Summit themed: "Union/Management Synergy in Solving Workplace Challenges in the 21st Century". The event was held on Saturday 14th, September 2024 at Joygate Hotel, located at No 1, Lateef Salami Street, Ajao Estate, Isolo, Lagos. There is a significant need for collaboration between unions and management to address contemporary workplace challenges in today's rapidly changing work environment. This partnership has become essential for effectively tackling the complex issues faced by employees and organisations. By fostering a spirit of cooperation and open communication, both parties can work together to develop innovative solutions that promote a positive workplace culture, enhance productivity, and ensure the well-being of all workers. This synergy is crucial for navigating the complexities of modern labour dynamics and achieving sustainable success in the workforce.

FIRMUS ADVISORY COURTESY VISIT TO NATIONAL SECRETARIAT

Firmus Advisory Limited, a business consulting firm, specializes in three key areas of service provision in Ghana and Nigeria: Regulatory Compliance, Market Research, and Trade Development. The company assists in the establishment of businesses, procures all necessary operating licenses and certifications, and offers valuable insights to support market entry and business decision-making processes.

On September 6th, 2024, Firmus Advisory held discussions at the National Secretariat to delve into the current state of the beverage market in Nigeria. The primary aim of this initiative was to conduct an in-depth analysis of consumer behaviours and preferences within Nigeria's beverage industry.
